

Remote Access to Natolin Library e-Resources

Remote access to the library e-Resources is only for operating outside the College of Europe Natolin network.

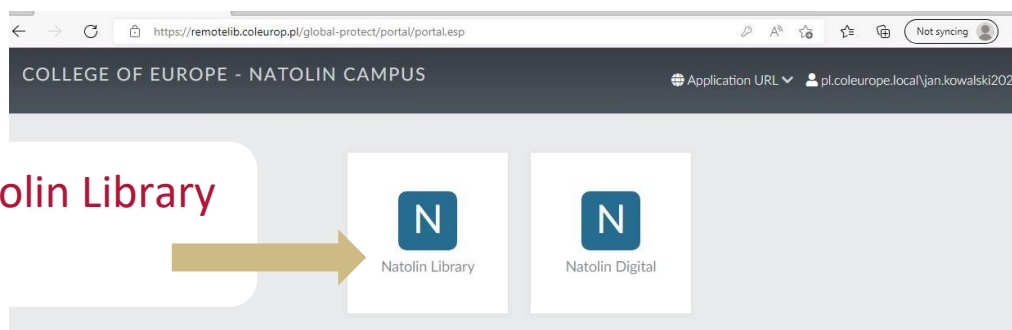

1

- Enter the website <https://remotelib.coleurop.pl>
- **For students:** log in with your ID number and current email password
- **For staff:** Log in with your user name and your password

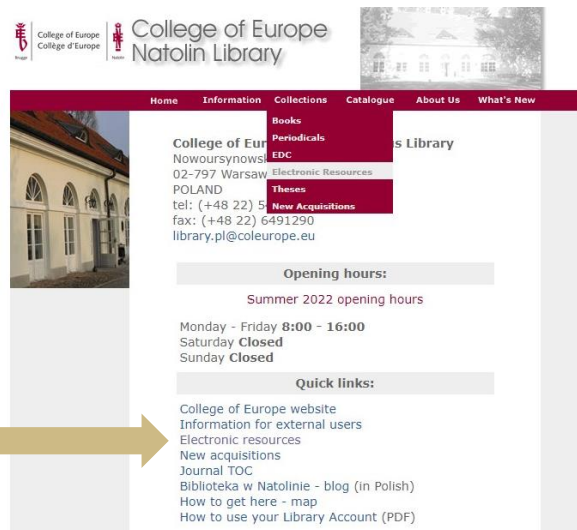

2

Click on icon **Natolin Library**

3

Click on **Electronic Resources** using a **quick link** or unrolling the tab Collections to search databases...

4

...or enter our Library **Catalogue** to find ebooks and Master Theses

Remote access to the library e-resources is only for CoE Natolin students from the current promotion and employees through authorization with ID card number (students) or user name (Natolin staff). Access for e-Resources for students is valid till the end of retake examination session.
